IS MARTIN LUTHER KING A COMMUNIST?

THE SHOCKING RECORD!

SPECIAL EDITION FOR MASS DISTRIBUTION

Official Publication of the American Nazi Party

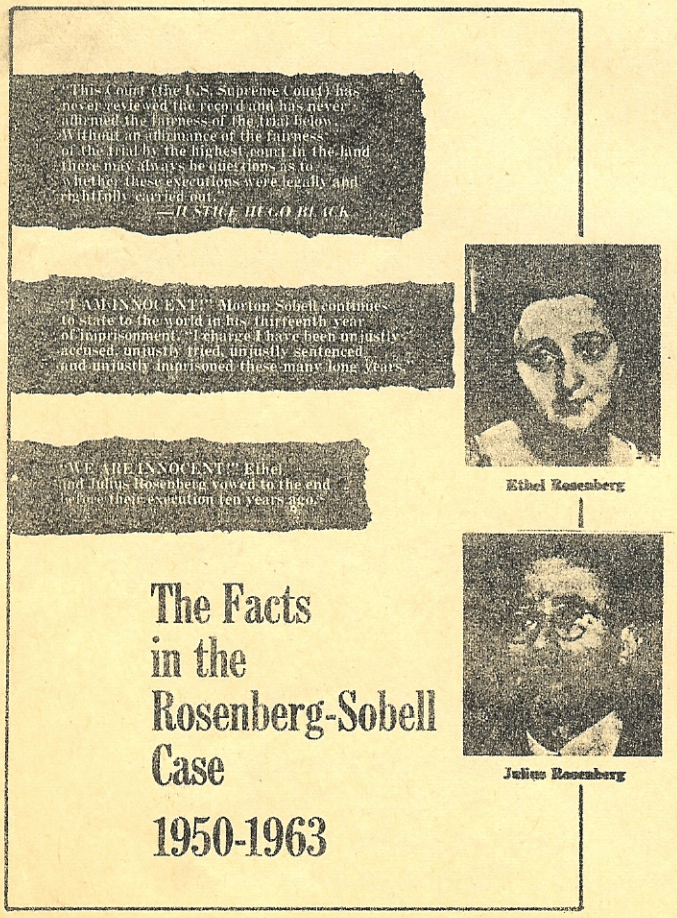
THE ROCKWELL REPORT is published fortnightly by the American Nazi Party at 928 N. Randolph St., Arlington, Virginia, U. S. A. Single copy, 50¢. One year, mailed first class in plain, unmarked envelope, $10, Air Mail, $11. One month, $1. Clippings welcomed.

Our President, and even supposedly Right-Wing papers like the Richmond "Times-Dispatch" and the "News-Leader", are pooh-poohing the idea that Martin Luther King could possibly be a Communist.

We think YOU are well qualified to JUDGE FOR YOURSELF whether this black agitator is a genuine "Christian" Reverend or whether he is a conscious part of the despicable and deadly Communist conspiracy to destroy our Christian Constitutional Republic and our White Race.

We do not have enough money to reprint ALL the evidence against Martin Luther King, But we herewith present enough so that YOU can decide just exactly what "Rev." King REALLY is and what he is REALLY trying to do to us.

(1) Here is the front page of an appeal put out by "The Committee to Secure Justice for Morton Sobell". The Jew, Morton Sobell, was CONVICTED by an American jury of helping his fellow Jews, Julius Rosenberg, Ethel Rosenberg, David Greenglass, Harry Gold and the rest of the Atom spies, of giving the secrets of our nuclear weapons to Soviet Russia! Remember, Sobell was convicted not just of being a Communist, BUT AN AGENT OF OUR ENEMY SOVIET RUSSIA!



"This Court (the U.S. Supreme Court) has never reviewed the record and has never affirmed the fairness of the trial below. Without an affirmance of the fairness of the trial by the highest court in the land there may always be questions as to whether these executions were legally and rightfully carried out."
—JUSTICE HUGO BLACK
"I AM INNOCENT," Morton Sobell continues to state to the world in his thirteenth year of imprisonment. "I charge I have been unjustly accused, unjustly tried, unjustly sentenced and unjustly imprisoned these many long years."
"WE ARE INNOCENT," Ethel and Julius Rosenberg vowed to the end before their execution ten years ago.

Now here is the masthead of a newspaper called "The Southern Patriot" (!) published by the "Southern Conference Educational Fund, Inc.". The "Southern Conference Educational Fund" has been officially designated a front for the COMMUNIST PARTY by the State of Florida and other investigating agencies of the Government. Most of those listed in the masthead are more or less obscure Reds, but certainly every American knows Carl

Braden--who recently did a year at Lewisburg AS A COMMUNIST. Notice that the president of this Communist front is Martin Luther King's Secretary, Fred L. Shuttlesworth.

(3) The Acting Executive Director of Mr. King's "Conference" for the Southeast is, or was, Jack H. O'Dell. Here is an article about Mr. O'Dell from the St. Louis "Globe Democrat" newspaper which shows that this Martin Luther King top aide, is another COMMUNIST!

Communist Revealed As Rev. King's Aid

National Red Leader Directing Negro Drive in Southern States

By a Globe-Democrat Special Writer

WASHINGTON.—A Communist has infiltrated to the top administrative post in the Rev. Martin Luther King's Southern Christian Leadership Conference.

He is Jack H. O'Dell, acting executive director of conference activities in southeastern states, including Georgia, Alabama, Mississippi and Louisiana.

From his birth in Detroit in 1923 until as late as 1958 he was known as Hunter Pitts O'Dell. This Mr. O'Dell, by whatever name, operates as a concealed member of the national committee of the Communist Party, USA, according to a highly authoritative source.

Until a few weeks ago, O'Dell was the regional consultant to the conference staff, which has headquarters in Atlanta. He became acting director recently. Main functions of the staff are to set up voter registration schools, "work shops," for promotion of civil rights activities and public meetings.

After attending school in New Orleans, La., O'Dell sailed for several years as a sailor in the Merchant Marine. In July, 1950, however, he was expelled from the National Maritime Union at Galveston, Tex. The union took exception to his circulation of pro-Soviet peace petitions attacking the government of the United States.

On April 12, 1956, identifying himself as Hunter Pitts O'Dell, a New Orleans waiter, he testified before the Senate Internal Security Subcommittee. He invoked the Fifth Amendment and refused to say whether he was a southern district organizer for the Communist Party.

Robert Morris, counsel for the subcommittee, said information had been received that O'Dell was, in fact, a district organizer for the Communist Party in New Orleans; that O'Dell gave "directives to the professional group" in that city, and that he operated under three different names—the two other names being John Vesey and Ben Jones.

KEY POSITION

It was learned that documents seized at O'Dell's residence by New Orleans police clearly established his key position in the Communist movement in the South.

On July 30, 1958, identifying himself as Hunter Pitts O'Dell, a Montgomery, Ala., insurance man, he appeared before the House Committee on Un-American Activities in an Atlanta hearing. An Associated Press story reported that O'Dell "tried unsuccessfully to turn the hearing into a discussion of mistreatment of Negroes in the South."

O'Dell invoked the First and Fifth Amendments and declined to answer committee questions about his Communist activities.

In recent years, it was learned, O'Dell has tried to remain in the background in carrying out his Communist Party assignments.

Officers of the Southern Christian Leadership Conference are the Rev. King, president; the Rev. F. L. Shuttlesworth, formerly of Birmingham, Ala., secretary; and the Rev. Ralph Abernethy, formerly of Montgomery, Ala., treasurer.

As usual, the Communist Party rushed to their aid with one of their "Ad Hoc" committees for "freedom", "justice", etc. Here is a photostat of the "initiating signers" on a petition to the President to get these two hard-core Communists out of jail. With predictable regularity, here is old Wheel-horse, Martin Luther King, in among the rabbis, Pink preachers and Communists, trying to get these REDS out of prison.

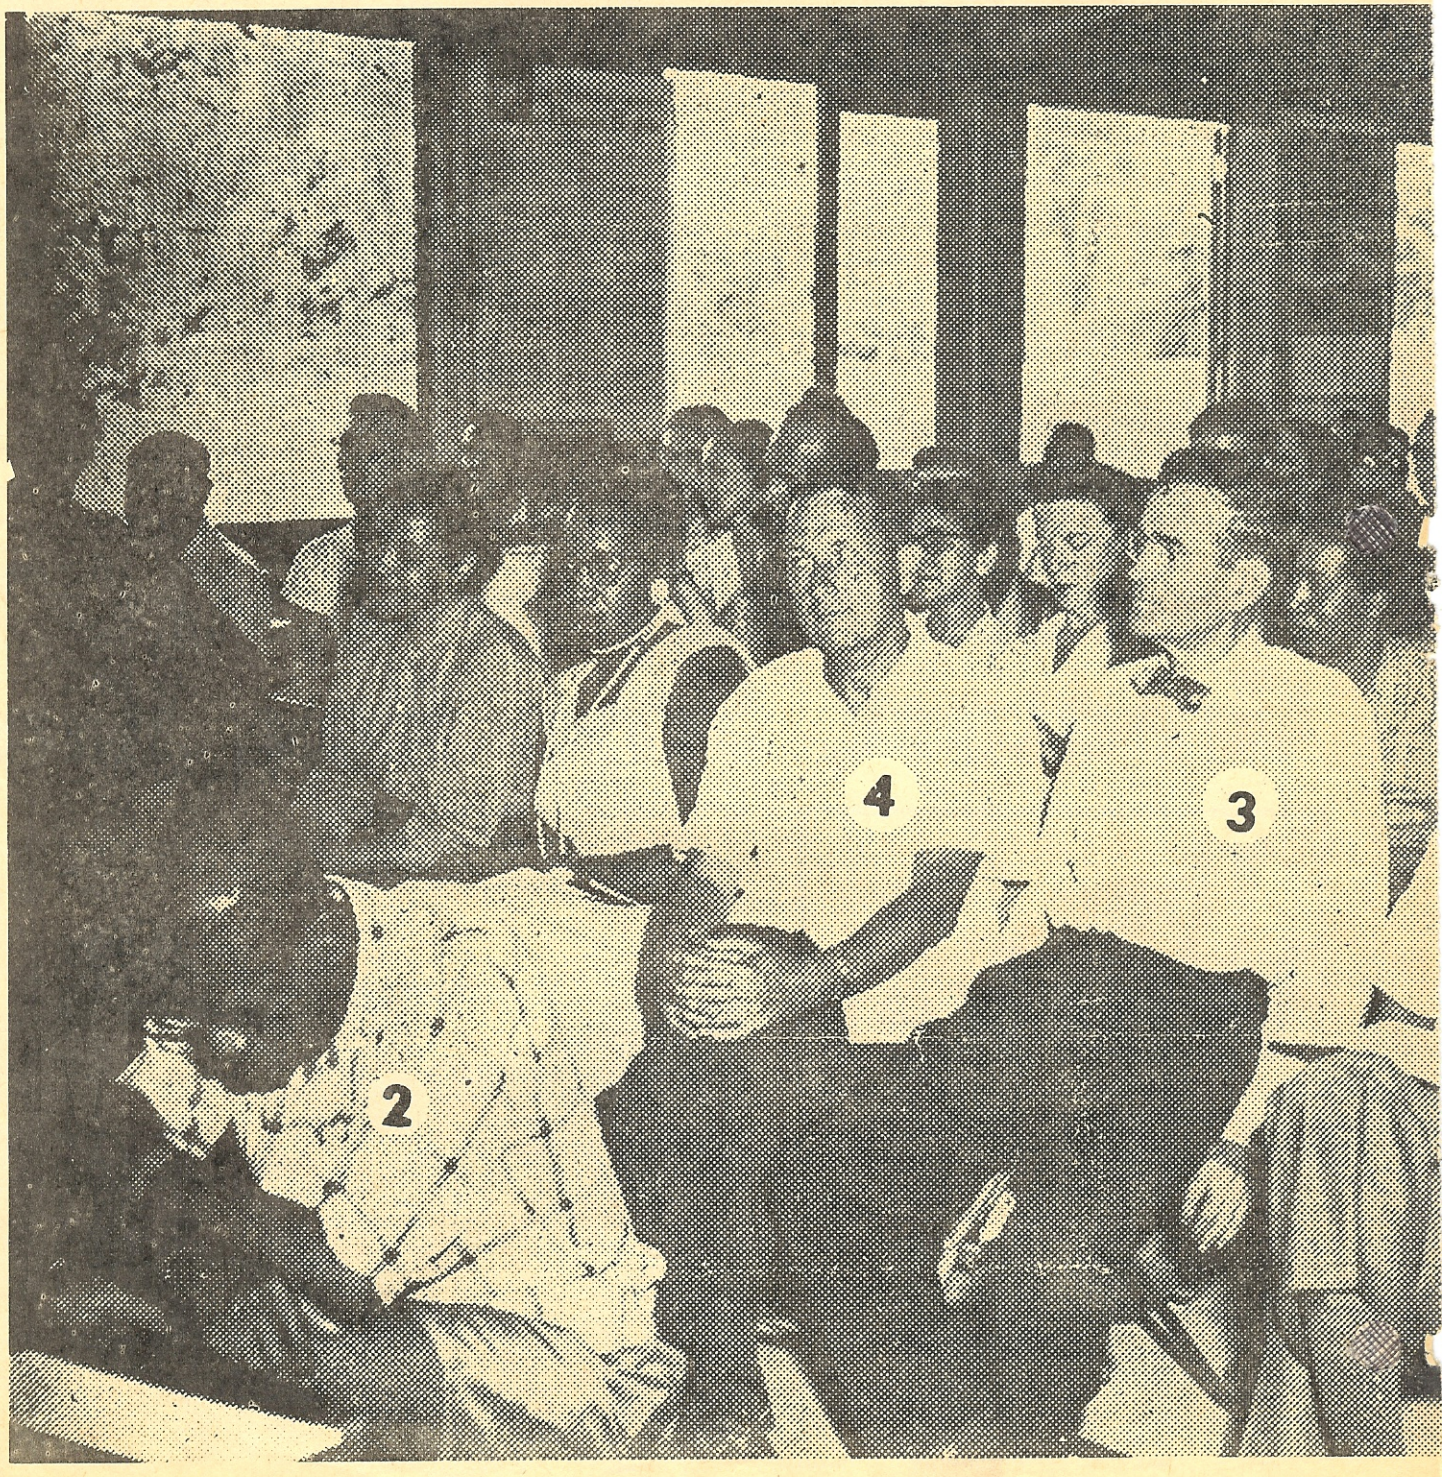
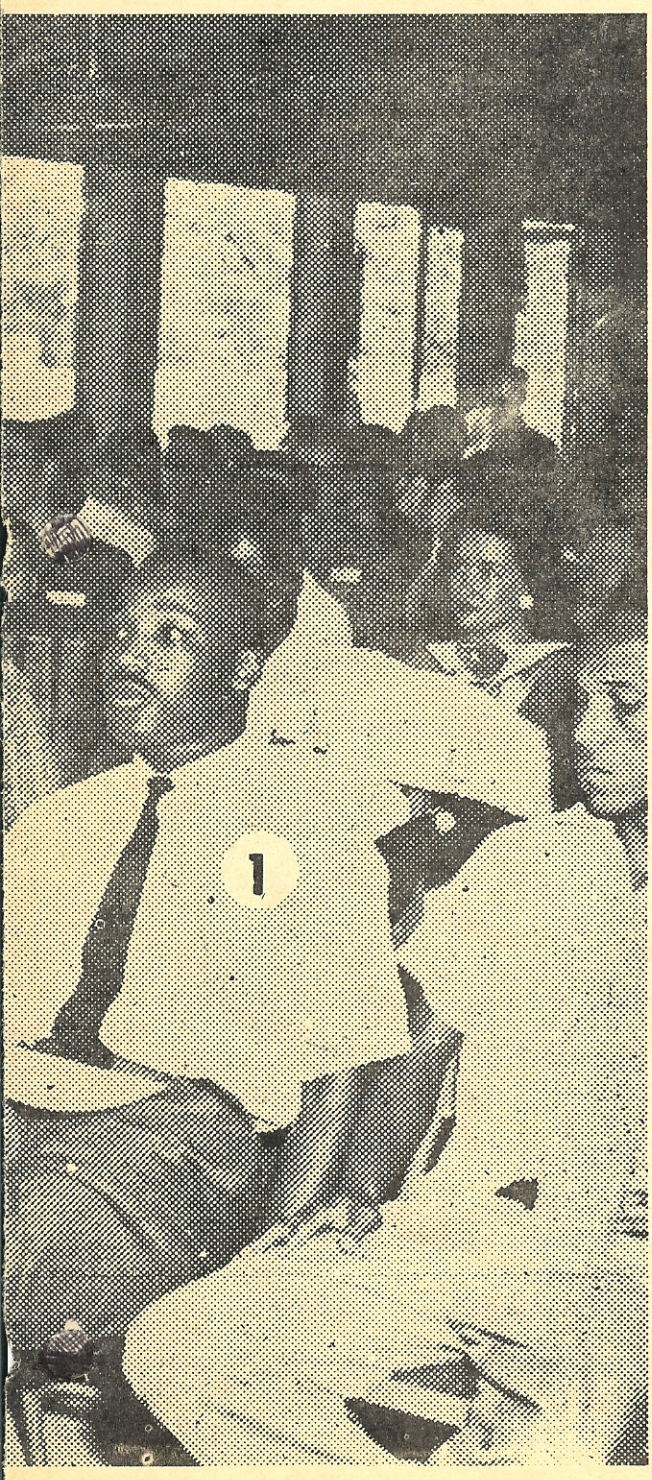
MARTIN LUTHER KI
COMMUNIST TRAINING



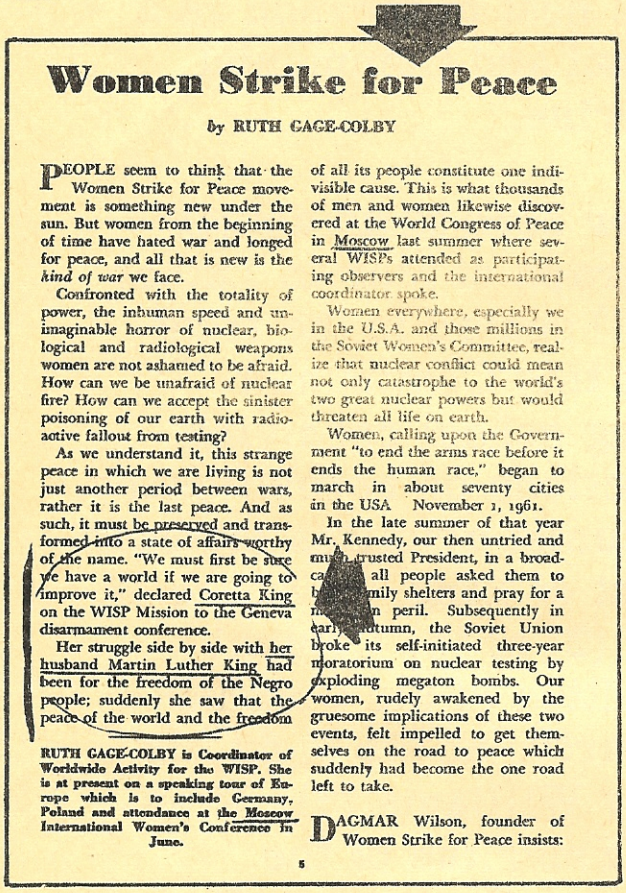
NG.... AT
G SCHOOL



(11) You have already read and seen the document published by the State of Tennessee about the "Highlander Folk School". The State of Tennessee closed up this nest of treason as a criminal and Communist enterprise.

Now here is an actual photograph of Martin Luther King (1) seated in the front row at this Communist training school receiving instructions on revolutionary Communist agitation methods. In front of King, is Abner W. Berry (2) of the Central Committee of the Communist Party. At his right, is Aubrey Williams (3), President-Emeritus of the "Southern Conference Educational Fund, Inc. ", the transmission belt in the South for the Communist Party. One seat over, sits the notorious Myles Horton (4), the organizer and head of the "Highlander Folk School" for training Communist racial agitators.

(12) Here is a photostat of a page from the "New World Review", a magazine published by more of these despicable Red fronters. It is full of praise for Castro and Khruschev. One of the articles is full of praise for "Women's Strike for Peace". I, myself, sat in a hearing room when the House Committee on un-American Activities gave these "Women Strike for Peace" an opportunity to state under oath that they were not members of the Communist Party. One after the other, these arrogant, sneering females, refused to answer whether they were Communists on the grounds that their answers would "incriminate" them!



Women Strike for Peace

by RUTH GAGE-COLBY

PEOPLE seem to think that the Women Strike for Peace movement is something new under the sun. But women from the beginning of time have hated war and longed for peace, and all that is new is the *kind of war* we face.

Confronted with the totality of power, the inhuman speed and unimaginable horror of nuclear, biological and radiological weapons women are not ashamed to be afraid. How can we be unafraid of nuclear fire? How can we accept the sinister poisoning of our earth with radioactive fallout from testing?

As we understand it, this strange peace in which we are living is not just another period between wars, rather it is the last peace. And as such, it must be preserved and transformed into a state of affairs worthy of the name. "We must first be sure we have a world if we are going to improve it," declared Coretta King on the WISP Mission to the Geneva disarmament conference.

Her struggle side by side with her husband Martin Luther King had been for the freedom of the Negro people; suddenly she saw that the peace of the world and the freedom of all its people constitute one indivisible cause. This is what thousands of men and women likewise discovered at the World Congress of Peace in Moscow last summer where several WISP's attended as participating observers and the international coordinator spoke.

Women everywhere, especially we in the U.S.A. and those millions in the Soviet Women's Committee, realize that nuclear conflict could mean not only catastrophe to the world's two great nuclear powers but would threaten all life on earth.

Women, calling upon the Government "to end the arms race before it ends the human race," began to march in about seventy cities in the USA November 1, 1961.

In the late summer of that year Mr. Kennedy, our then untried and mu[illegible] trusted President, in a broadca[illegible] all people asked them to b[illegible]mily shelters and pray for a m[illegible]n peril. Subsequently in early autumn, the Soviet Union broke its self-initiated three-year moratorium on nuclear testing by exploding megaton bombs. Our women, rudely awakened by the gruesome implications of these two events, felt impelled to get themselves on the road to peace which suddenly had become the one road left to take.

DAGMAR Wilson, founder of Women Strike for Peace insists:

RUTH GAGE-COLBY is Coordinator of Worldwide Activity for the WISP. She is at present on a speaking tour of Europe which is to include Germany, Poland and attendance at the Moscow International Women's Conference in June.

5

Notice in the photostat that Martin Luther King's wife, Coretta, went overseas to the Moscow-inspired women's conference as a delegate from this Red "Women's Strike for Peace"!

(13) There are thousands more documents and exhibits all proving the same thing about the connection between Communism and the racial hell-raising now going on in America. We are simply too poor and hard-pressed to print any more.

But can any American look over this documentary evidence and still believe that it is "hate", "bigotry" or "witch hunting" to say that Martin Luther King and most of the rest of the race-mixing gang are clearly doing the work of the criminal Communist conspiracy AT THE VERY LEAST?

Recently, Gov. Barnett testified before a U. S. Congressional committee and brought out Martin Luther King's Communistic record. He even presented the photograph of King studying Communist race agitation at the "Highlander Folk School".

THE SUPPOSEDLY RIGHT-WING RICHMOND NEWSPAPERS SCOFFED AT GOVERNOR BARNETT'S EVIDENCE! THEY SAID IT WAS RIDICULOUS TO CLAIM THERE COULD BE ANY CONNECTION BETWEEN KING'S RACIAL AGITATION AND COMMUNISM! THEY "EXPLAINED" GOV. BARNETT'S PHOTOGRAPH BY SAYING THAT MARTIN LUTHER KING HAD SIMPLY GONE TO A "LABOR-DAY PICNIC" AND INNOCENTLY AND UNKNOWINGLY BEEN PRESENT AT THIS "PICNIC". THEY DID NOT PRINT THE PICTURE! LOOK AT THE PICTURE AND YOU WILL SEE WHY. DOES THIS LOOK LIKE A "PICNIC" TO YOU?

Remember that the sophisticated and highly educated editors of the Richmond papers have easy access to all these documents and they can understand what they mean as well as you and I.

Then, why do they "cover up" and whitewash the shocking Communistic record of the man who is driving White Christian America to racial destruction and Communist revolution?

The answer is the most important thing in the world for my fellow Virginians and fellow Americans to understand. The editors of the Richmond papers are pretty good White men. I feel sure they know all this and hate it as much as we do.

But a newspaper survives on ADVERTISING. If enough advertisers cancel, no newspaper could publish more than one or two issues. No newspaper, therefore, dares do anything to seriously displease its most important and most numerous advertisers. This includes the Richmond papers.

AND IN EVERY AMERICAN CITY, THE MAJOR ADVERTISERS ARE THE BIG SUPER

MARKET CHAINS AND THE BIG DEPARTMENT STORES. AND THE BIG DEPARTMENT STORES AND SUPER MARKET CHAINS ARE 95% JEWISH OWNED.

We have three television networks--NBC, CBS and ABC. The Chairman of NBC is Robert Sarnoff, a Russian Jew. The Chairman of CBS is William Paley (Palinsky), a Russian Jew. The Chairman of ABC is Leonard Goldenson--another Russian Jew. It should not be necessary to tell any American that the movies are notoriously Jewish. The big national magazines are more and more Jewish owned and all of them are dominated by Jewish advertisers.

THIS is the reason Americans are not permitted even to discuss the tremendous numbers of racial Jews who have been convicted as spies for Communism and the fact that the president of the NAACP is not a Negro, but a New York Jew, Arthur Spingarn, and the mastermind of CORE is not a Negro, but another New York Jew named Marvin Rich. The NAACP attorney, who is forcing Negroes into Mississippi and Alabama and other Southern schools, is the New York Jew Jack Greenberg. Much of the money for the NAACP originally came from the New York Jew, Senator Herbert Lehman and his family.

COMMUNISM AND RACE-MIXING ARE MOVEMENTS LED, SPARKED AND FINANCED BY JEWS!

This is not "hate"--it is a provable FACT!

JEWISH MONEY has become all-powerful in our America. The editors of the Richmond papers are essentially good White Christians. But their jobs and livlihood--and their papers--are utterly dependent on Jewish department store owners and the Jewish merchants who have bought up U. S. "Main Streets" with their money. THAT is why they whitewash black Communistic agitator King. THAT is why they have bowed to pressure by the Anti-Defamation League of B'nai B'rith to "blackout" news of our successful speeches all over Va.

As a final example of what the Communist race-mixing agitators study at such cesspools of treason as the "Highlander Folk School" of Communist training which Martin Luther King attended, here is the photostats of a document printed by the United States Government exposing Communist

6 PLOT AGAINST FREE WORLD POLICE

Illustration No. 3.—Shows that the police have moved into the classic phalanx in order to give mutual protection.

mass marches and mob scenes. It contains actual documents seized from the Communist Party showing how the mass marchers and "demonstrators" can overwhelm and destroy police authority and the policemen themselves. Here are some of the diagrams from a Communist training manual! Note the Black mobs "enveloping" and crushing the police force. Note some of the Communist plans for over-running a city, in spite of police anti-riot squads!

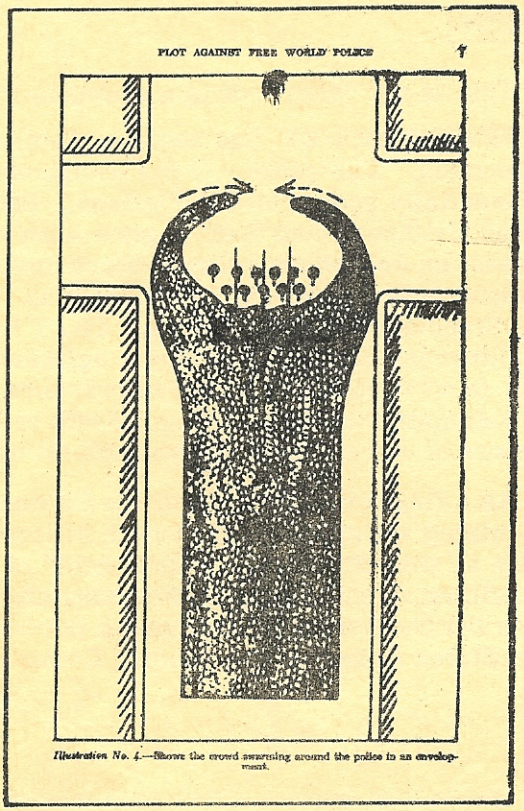

Illustration No. 4.—Shows the crowd swarming around the police in an envelopment.

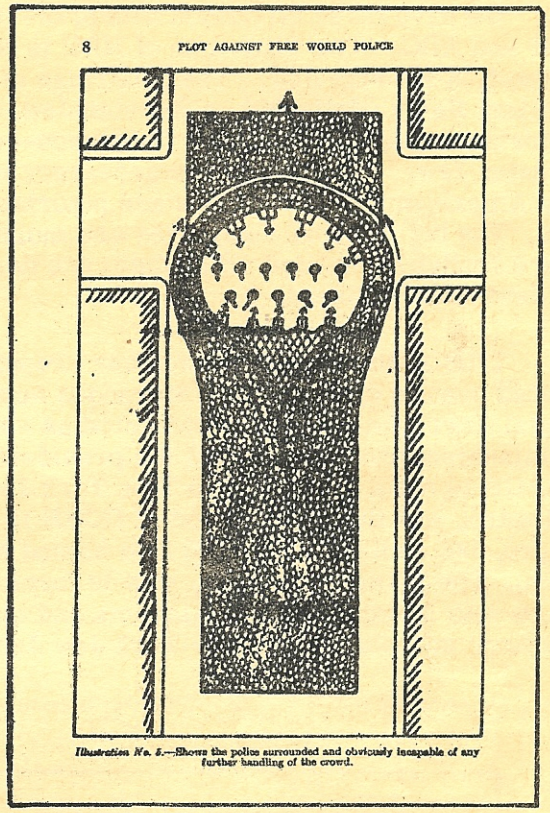

Illustration No. 5.—Shows the police surrounded and obviously incapable of any further handling of the crowd.

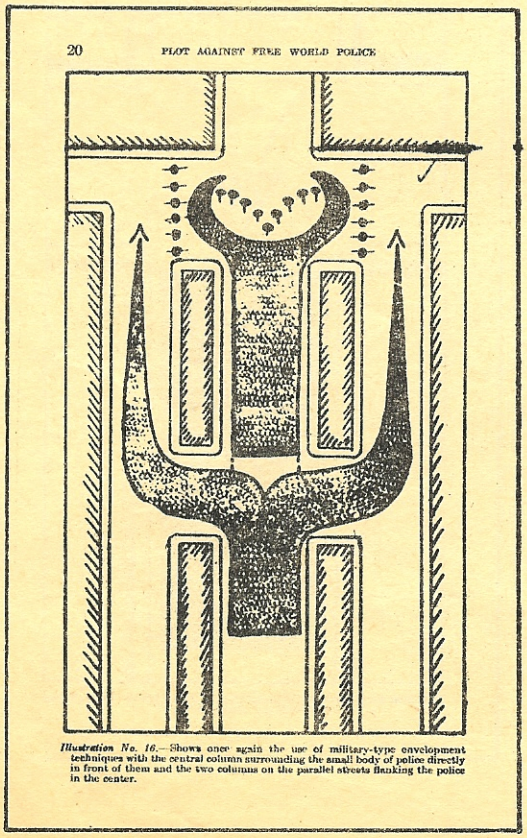

Illustration No. 16.—Shows once again the use of military-type envelopment techniques with the central column surrounding the small body of police directly in front of them and the two columns on the parallel streets flanking the police in the center.

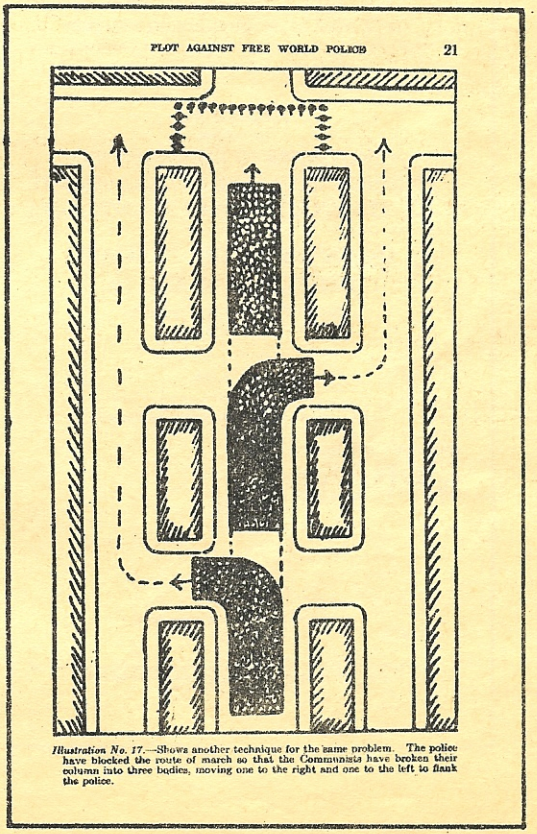

Illustration No. 17.—Shows another technique for the same problem. The police have blocked the route of march so that the Communists have broken their column into three bodies, moving one to the right and one to the left to flank the police.

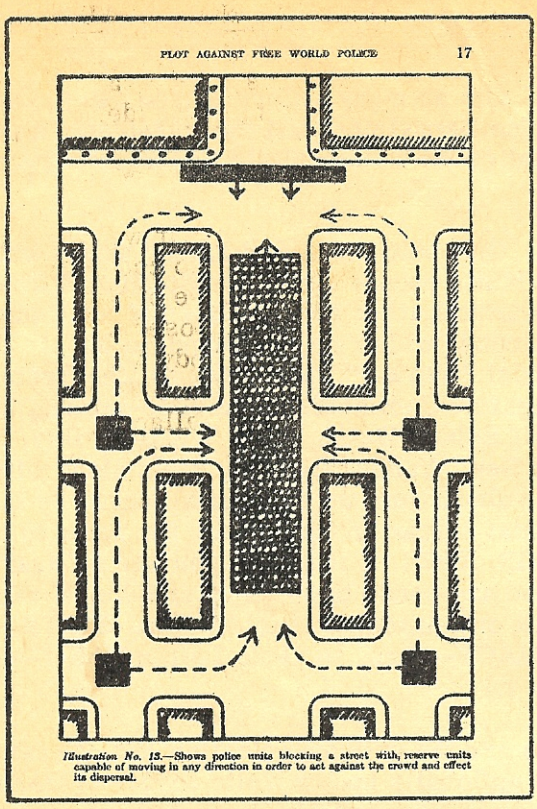

Illustration No. 15.—Shows police units blocking a street with, reserve units capable of moving in any direction in order to act against the crowd and effect its dispersal.

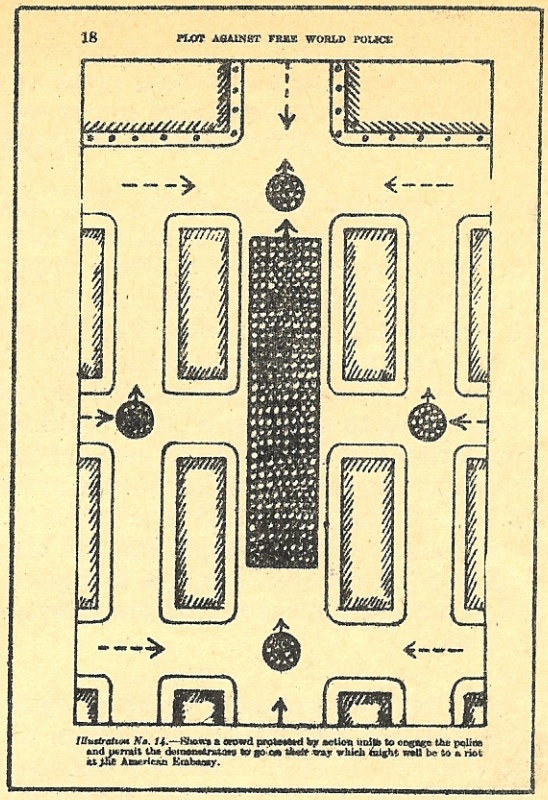

Illustration No. 14.—Shows a crowd protested by action units to engage the police and permit the demonstrators to go on their way which might well be to a riot at the American Embassy.

Every Communist revolution in history has begun with mass marches and riots IN THE STREETS!

We have presented unimpeachable evidence of the RECORDS of the leaders of the mass marches and riots now taking place all over America.

These despicable "leaders" claim they are putting on these marches and riots for "freedom", "justice", "civil liberties" and the "rights" of the colored people.

THE LEADERS OF EVERY COMMUNIST REVOLUTION IN HISTORY HAVE SHOUTED PRECISELY THE SAME THINGS AND DONE PRECISELY WHAT THE AGITATORS ARE DOING IN AMERICA IN THIS FATEFUL SUMMER OF 1963!

The enemy has his black army march in the streets and on August 28 they will physically overwhelm and occupy our Nation's Capital to intimidate our Congress itself.

Unless White Christian America can show some massive RESISTANCE on that fateful day in August, our White Race and our Christian Constitutional Republic will be WASHED UP!

My courageous young men and I are risking our liberty and our very lives to do what Paul Revere did for America in 1775. His cry, which jolted American patriots awake and into action was, "The Redcoats are coming!"

Our cry of warning to America is, "The Reds are coming!"

Many people will say our cry should be, "The Blacks are coming!" But most of the Blacks who will "march" on Washington, like most of the peasants who have marched in all Communist revolutions, are simply professionally agitated DUPES. They are being told they march for "freedom" and "equality". These are always the battle cries of Communist revolutions everywhere.

On August 28, 1963, the Reds are launching the first testing blow of the Soviet revolution in America. Their purpose is to INTIMIDATE and TERRORIZE our Congress into passing a nakedly Communistic "Accommodations Law". If White Christian America has been sufficiently cowed and beaten so that it will stand still for this Red outrage and occupation of our National Capital, the final blows of their Soviet revolution will rain upon us swiftly and fatally.

To survive, White Christian America MUST demonstrate that it will RESIST! It is not necessary to break the law. We have as much legal right as any gang of marching Blacks to demonstrate in our own National Capital. AND DEMONSTRATE WE MUST!

The Jewish dominated press, radio, TV, etc., have been systematically blacking out all news of our success in recruiting thousands of White men to counter-demonstrate against the Red march on Washington on August 28. In Emporia, Va., where the Jewish Blooms dominate the town with their big department store and money, I was even arrested and charged with trying to start up a "war" against the colored population and for trying to present to my fellow Virginians the facts and documents printed here. Martin Luther King, who HAS started up a very real war against the White people (he and his gang openly call it a "revolution") comes and goes as he pleases and is not even arrested for disorderly conduct in Virginia!

But all their lies, propaganda, false charges and intimidation will not stop us any more than it stopped our forefathers in 1776! We have chosen our name and symbol for SHOCK power, because White Christian America needs to be SHOCKED! In spite of all the blackouts, lies and smears in Jewish-dominated papers and on TV, I have been applauded and cheered in every single town in which I have spoken! That is the truth. The good White Christian American PEOPLE of this great Republic, in their hearts, believe EXACTLY as I do. More and more of them every day are beginning to understand that we are not trying to "overthrow" the Constitution, but to PROTECT it and, above all, to save the great White Race, which alone has produced Western Christian civilization!

The other Right-Wing leaders who damn me and my "methods", do not dare stand up to and face that terrible black mob in Washington on August 28!

I WILL! I am convinced this is one of the most deadly moments in American history and only force or death can stop me and my people from defying the Communist Black army of terrorism in Washington on August 28. Thousands of White men have already pledged to be here to oppose Martin Luther King's Black horror on August 28.

Here is what YOU can DO to help at this desperate moment in our history:

(1) Be at the Washington Monument at dawn on August 28 with every single White person--man, woman and child--you can bring. I realize this means sacrifices. But it will be worth it! On August 28 MAKE HISTORY, NOT EXCUSES!

(2) Get as many letters as you can to Congress, the Justice Department and the President, demanding the defeat of the Communistic "Accommodations Law".

(3) Quit being afraid of smear words which keep us White people APART! No coon is afraid to follow Martin Luther King because of his Communistic record, which we have exposed here! The Communist "Worker" calls anybody who fights HARD against Communism and race-mixing,"Nazis". They call Robert Welch, Gov. Wallace, Gov. Barnett and Gen. Walker "Nazis", right along with me! And it is about time we quit being scared by this Communist smear tactic! I took the name to SPIT IN THEIR EYE! If it means you are a "Nazi" because you are ready to stand up and die, if necessary, for our American Republic and WHITE SUPREMACY--then, by God, I am a NAZI!--and proud of it!

We are the only organization and, so far, I am the only nationally known White leader to DARE to try to oppose King and his Black mob on August 28. King boasts that he has raised over a million dollars for this attack on our Capital. Whether you believe it or not, we do not have $ 100 right now! We fight on faith and GUTS! But we need HELP. If you have understood what I have tried so desperately hard to convey in this pamphlet, IN THE NAME OF OUR WHITE RACE AND OUR AMERICAN REPUBLIC, CONTRIBUTE ALL YOU CAN TO BACK THE BRAVE MEN AND LEADERS WHO DARE TO STAND UP FOR YOU!

(4) Obtain and circulate as many hundreds or thousands of copies as you can of this documented expose of the Communistic record of Martin Luther King and the Communist nature of this nightmarish Black march. We believe mass distribution of King's record will DESTROY this black villian. We will contribute our work, printing, folding (by hand), etc. All we want is costs and postage to keep spreading this exposé.
